

Michigan Nurses

For Life

Our purpose:

...To raise the consciousness of the nursing profession to protect all human life from conception until natural death

...To form an educated core of nurses who can speak for their profession by acting as a community resource for life issues

...To promote public education and awareness about life issues on both ends of the spectrum, from abortion to euthanasia

...To uphold and defend human life in all stages and conditions of development

3.5 Contact Hours for Nurses
pending through
Madonna University

Presented by: Michigan Nurses For Life
in cooperation with
Educational Center For Life

Purpose:

This half day conference will increase the participant's knowledge of care and treatment decisions at the end of life (in both expected and sudden death situations) and the effects of recent health care reform on health insurance.

Objectives:

At the end of the conference the participant will be able to:

1. Discuss the ethics of various end of life interventions and treatment modalities.
2. Describe how a sudden death event can be a positive growth experience for survivors.
3. Discuss possible implications of recent health care reform related to health insurance practices.

Location:

Franco Communications Center
St. Joseph Mercy - Oakland
